HOW TO FILL OUT A POSTCARD

27 July 2014

My dearest, Aunt Nancy
You won't believe this but two days ago I tried kangaroo tail, crocodile meat, and a green ant, all in the same day! The kangaroo tail was a bit greasy but the crocodile tasted like--you guessed it!--chicken. But most surprising of all, the green ant tasted like a sour grape! The land down under sure is an interesting place!

Wish you were here!
